To Mr Fraser Nimmo
MBO UK

RoHS2 Certificate

We the undersigned, MBO, certify that the **lead free solder products** we supply to **MBO UK** are RoHS2 compliant so do not contain lead, mercury, cadmium and hexavalent chromium. These products do not contain also neither polybrominated biphenyls (PBB) nor polybrominated diphenylethers (PBDE) in quantities higher than those specified by the regulation in force.

Date : 08th March 2013

Marie Chapdaniel
R&D Manager
